

To: Principles of kindergarten and Elementary/ Junior high schools

About Enrollment and transfer student enrollment

The form is about the studying and living condition of the student in your school

From: The Principle of Japanese School in Hanoi

We would like to express our sincere gratitude for your continued understanding and cooperation regarding the education at our school.

At our school, we ask applicants to submit this document in advance before the entrance interview, and if this document is not submitted, the interview will not be held. We apologize for the inconvenience, but we appreciate your cooperation.

For children and students who wish to enter or transfer to our school, please mark the applicable item with a circle and fill in the considerations.

Please send this document with a password to the person in charge below.
